NOAA's Teacher at Sea Program Application
2018 Field Season

Your application and recommendations are due November 30, 2017 at 5:00 p.m. Eastern Time.

In this application, you will navigate through 4 main sections. Sections 1, 2 and 4 are required. Section 3 is optional. The sections are:

1. "Application" (**Required**)
2. "Recommendations" (**Required**: Two recommendations submitted by the REFERENCE and NOT by the APPLICANT.)
3. "Upload Files" (Optional: You may upload supplemental materials.)
4. "Submit" (**Required**: The final page where you will submit your complete application.)

The evaluation team will NOT review incomplete applications.

IMPORTANT:

- Please use the most recent version of either Internet Explorer, Firefox, or Chrome when completing your application.
- TO SAVE/PRINT: Save often and print a final copy; Click the "Save" button if you want to return and make changes later. **New or changed information you enter will not be saved until you click "Save." Click "Save" every 30 minutes to prevent a session timeout.** You may save or print at any time before your final submission.
- TO SUBMIT: You will be able to submit your application once you have completed all 3 required sections. Click submit ONLY after you have finished making changes to your application. **NOTE:** This action cannot be undone by you and would require technical support to reverse.
- For technical support, please contact tas.support@ecs-federal.com.

PAPERWORK REDUCTION ACT INFORMATION - OMB Control Number 0648-0283; Expiration Date 9/30/2019

NOAA conducts the Teacher at Sea Program in order to promote oceanographic and related education. The information obtained from the recommendation will be used in the selection of the teachers who will be accepted for participation in the program, and an application is required for acceptance. The information submitted on this form will not be treated confidentially. Public reporting burden for this collection of information is estimated to average 15 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to NOAA's Teacher at Sea Program, 1315 East West Hwy, Division F, Room 14531, Silver Spring, MD 20910.

Notwithstanding any other provision of the law, no person is required to respond to, nor shall any person be subject to a penalty for failure to comply with, a collection of information subject to the requirements of the Paperwork Reduction Act, unless that collection displays a currently valid OMB Control Number.
